3. PortaMEe Baby Carrier. This product for parents on the go is the baby carrier of choice for such celebrities as Tom Cruise and Katie Holmes; Brooke Shields; Mariska Hargitay; Rachel Weisz; and Ed Burns (notice the absence of Britney Spears), not to mention a legion of otherwise unsung moms and dads. The manufacturer touts it as the only carrier for babies 5 months and older, with back support that enables porta-parent to maintain eye contact with baby, the hands-free PortaMEe includes a fanny pack; a removable, insulated bottle holder; and a compartment to store a cell phone, wallet and keys. \$179; www.portamee.com.
